GENERAL CONDITIONS

Agreements will automatically be renewed at the then prevailing rate, terms, and conditions unless notified. The agreements covered repairs and parts due to normal wear out. Agreements will **NOT** cover any parts damaged by tank leakage, flood, water, fire, lighting, or other acts of God beyond our control. We will **NOT** be responsible for damages from leaking water or oil lines, lack of heating oil or other damages caused by the heating system. Frozen or defective fill, vent, or oil lines are not covered. *Termination can be made by either party at anytime. Plan is void if account is in violation of FPS credit policy or if heating oil account is not current. Customer must call to arrange maintenance.*
